## BILLBOARD AND ARTWORK RELEASE

By submitting your artwork/image to the CSAPC via email for a billboard contest, you certify that you own, created through originality, or personally designed the artwork and did not use any copyrighted material(s). You certify you have the authority to license the image to CSAPC for display on the CSAPC website, social media accounts and for display on a billboard produced and set-up by Adams Billboard in Clinton County. You authorize Adams Outdoor to utilize the artwork for final printing and installation of a billboard. This license remains in effect until such time we [CSAPC] decides to remove the image/artwork from our website, social media accounts, and also have the billboard installation contract completed with Adams Outdoor. Further, should you win the billboard contest, you acknowledge that you will grant a license to CSAPC to display your image or artwork for multiple years while showcasing "past winners" in future billboard contests.
